These four remains are all reinterred in one  
grave, having been lifted from a garden plot, (?)  
or field, adjacent to a rural home, where lo-  
cated originally is not now known.

In all the established records of the Diet-  
erich Kober family names this peculiar feature  
is noticeable, that the baptismal praenomen ,  
John, appears before the names of the male mem-  
bers of the family, and the praenomen, Anna,
